At this time, the College Board has not officially released a scoring worksheet that reflects the latest changes in AP® Environmental Science. In order to create our projected curve, what we have done is taken the relative percentages of the MCQ and FRQ as well as the point values of each question as outlined in the scoring guidelines released for 2019-2020 here .

2 Reasons Not to Take AP Environmental Science. We'll start with the two types of students who probably shouldn't take AP Enviro. #1: You Plan on Majoring in Science. This might be surprising since the word science is actually in the course title, but, as a matter of fact, AP Environmental Science isn't the best class for future science majors.

What Is AP Environmental Science? Expert Guide

AP Environmental Science started as a course during the 1997-98 school year and the first exam was in 1998. There were

Get Free Ap Environmental Science Scoring Guidelines

4 FRQs written in 90 minutes and the combined score from these questions was 40% of the total score. Each question was worth a maximum of 10 points. Starting this year there are only Three free-response questions.
