Beware The Beasts

"Beware the Beast" is the story of Charlotte and Alex. 18 year old young Charlotte is still mourning the tragic death of her father, when her lawyer informs her of her impending fate- the death might have been a suicide, he was under serious debts, and has sold her to his Greek business partner, the 40 year old Alex!

Beware the Beast by Anne Mather - Goodreads

Beware the Beasts. , more.... The beast that crouches just beyond the light. In every man's imagination lurks that dreadful shape - the beast that is more horrifying, more dangerous than any animal. To most people it is just a nightmare, a dream from which they awake to realize the terrors are all in the mind.

New et al. argue that survival necessitated keeping an eye on animals (both human and non-human) in the ecology of evolutionary adaptiveness of the human species. For example, humans could turn out as potential mates, friends, or foes, and animals could signal a meal or a potentially deadly threat. Therefore, they argue, the human attention system evolved category-specific selection criteria to ...

Has evolution primed humans to “beware the beast”?

Beware the Beast was a Star Trek: The Original Series comic strip published in 1969. It was the third story in the UK comic strips series, and was released in four parts, in issues of Joe 90: Top Secret. In this story, the crew of the USS Enterprise searched for missing families of sentient apes on the planet Angoma. A friendly sword-fight with James T. Kirk and Gif in a stadium full of ...
