One technique to develop forgiveness so we can stay calm at work is meditation. The problems of life will not end. However, through meditation we can focus our attention on the peace within so we can rise above life's difficulties. Through meditation we are in touch with a place of calm within us that gives us the strength to forgive others, overcome anger, and stay calm at work.

Calm by Fearn Cotton is the follow-up to Happy. With the first book looking at ways to find joy in everyday life, Calm helps us work through the daily stresses and worries we often face, in order to feel less stressed out and more relaxed. I may reference back to this book and what I've learnt from it throughout my blog posts.
