This group of conceptual questions has been extracted from Paul Hewitt's enormous collection that is published to accompany his Conceptual Physics textbooks. To obtain the greatest benefit from these questions, you must first read through a question and then ponder its answer.

PhysicsLAB NextTime Questions

Most of these have been published over the years as Figuring Physics in The Physics Teacher magazine. They have also been in ancillaries to my Conceptual Physics textbooks, and physical science textbooks as well. My hope is that teachers will pose the questions, and withhold answers to “next time,” which could be as early as the next class ...
