Also there's a free study guide called No fluff study guide and it was good but had a few errors. Then there's a red faced book on amazon called DTR study guide or something and it really condensed all the information needed. But I think VV was best because for the calculation problems they had good examples and explanations.

DTR exam study guide? : dietetics - reddit
Quite often, the answer is "yes". The majority students taking the RD Exam or DTR Exam will use at least two study guides. So which one was most helpful? Did the student take their exam once with another study guide, failed the exam, then used another study guide and passed?
