Honda Small Engine Replace Low Oil Alert Switch 34150-ZH7 ...

The oil pump can move it through the engine, and it doesn't starve for lubrication when started up. Ah, but there is a downside to 10W-30 oil, it's not as "tough" as straight 30. It will break up molecularly more easily than the straight 30. So in really hot and harsh applications, like a lawnmower in the summer, it's not as good.
