Journal Of Business Ethics Springer

Aims & scope. Journal updates: The Journal of Business Ethics publishes only original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business that bring something new or unique to the discourse in their field. From its inception the Journal has aimed to improve the human condition by providing a public forum for discussion and debate about ethical issues related to business.

Journal of Business Ethics | Home

Critical perspectives on business ethics offer to make the field more inclusive and open new avenues for theory development. Scholars working in intersectional theory have elaborated how social justice can be better achieved by recognizing the interaction of simultaneous axes of oppression and marginalization.
