Nursing Student Reflection Placement Using Gibbs ...

Your reflective journal work should be an example of a flexible learning process where you evaluate your own progress and provide feedback related to acquired knowledge and skills. The trick in writing of a good reflective nursing journal entry is in being as descriptive as possible. Write your reflection as if you are talking to a fellow nursing student who wasn't there or did not have an opportunity to learn the same part of a curriculum.

This essay aims to critically reflect on an encounter with a service user in a health care setting. The Gibbs' Reflective Cycle will be used as this is a popular model of reflection. Reflection is associated with learning from experience. It is viewed as an important approach for professionals who embrace lifelong learning (Jasper, 2013).

Critically reflect on an encounter with a service user in ...

Reflection is the process of making sense of an experience in order to learn and improve as a practitioner. 1 Often, we reflect as part of our everyday practice without being aware that we are doing it - for example, on the way home from work. Using reflection within health and social care has benefits for patients and the profession. In ...
