Oracle is a versatile spell caster who can use abilities defensively or offensively depending on different combinations of abilities. A well-timed False Promise may change a surprise attack from the enemy into a failed gank. However, Oracle is not really mobile, thereby susceptible to getting picked or focused first in fights if poorly positioned. Pros

Manual Oracle Uninstall. A number of people have contacted me regarding problems uninstalling Oracle products. The two methods listed below should only be used as a last resort and will remove *\*all\** Oracle software allowing a re-install. If you make any mistakes they can be quite destructive so be careful.
