The premise sentence is a bit like the question on an essay exam paper - you can keep referring back to it to make sure you're not wandering off the point. It will help keep you anchored and moving forward at the same time, helping to avoid meandering, wasteful scenes and chapters (and time).

The Novel Writing Roadmap - Step One: The Premise

The same holds true if the data is still on-premise but the service accessing it resides in the cloud. Options for data migration include: Using a bi-directional syncing mechanism between your on-premise and cloud databases. Once you've moved all consumers of the data to the cloud, remove the on-premise database.

Cloud Migration Checklist: 10 Steps You Need to Follow
