Survival Of The Prettiest Science

The Survival of the Prettiest is an eminently readable, wisdom-filled, witty and very well-documented report on the human concept and experience of beauty and its utility, especially human beauty, or the perceived lack thereof.

Survival of the Prettiest: The Science of Beauty by Nancy ...

"Survival of the Prettiest is the first book to pull all of the science on beauty into one lively yet thoughtful package, showing again that it's not just ax-grinding males who believe that biology continues to play an important role in our lives."
