The Old Testament of the Bible was written in Hebrew and our New Testament in the West was written in Greek . The Old Testament relates God's Creation of the world and his Word to Israel. He reveals his undying love for his creation mankind through the promise of a Redeemer, in spite of man's sin and disobedience.

The Bible also refers to itself in various places as inspired by God, or containing the words of God. While this does not prove that God is behind it, if God does exist, then it is not unreasonable to think that he would ensure that there was a reliable account for future generations of his revelation to specific individuals and a record of what he has
