Recently, the right of free access to information is also an important right of every citizen. However, there are countries that make light of these civil rights. China bans use of websites that are inexpedient for their governing, thereby violating its people's right to access information freely. Lois Lowry's The Giver introduces a world similar

### The Giver, And The Real World - 918 Words | Bartleby

The Giver is a 1993 American young adult dystopian novel by Lois Lowry.It is set in a society which at first appears to be utopian but is revealed to be dystopian as the story progresses. The novel follows a 12-year-old boy named Jonas. The society has taken away pain and strife by converting to "Sameness", a plan that has also eradicated emotional depth from their lives.

Like Jonas, who is a young person with the wisdom of an old person, the Giver is a bit of a paradox. He looks ancient, but he is not old at all. Like someone who has seen and done many things over many years, he is very wise and world-weary, and he is haunted by memories of suffering and pain, but ...
